

Geography Long Term Objectives - Cycle A

KS1

Autumn

Termly Objectives

Christmas Around the World - Non-European Country (Are all countries the same?)

- Name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas.
- Understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country.

Spring

Termly Objectives

Human and Physical Geography (Where is the coldest place in The World?)

- Identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles;
- Use basic geographical vocabulary to refer to: key physical features, including: beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation, season and weather.
- Use basic geographical vocabulary to refer to key human features, including: city, town, village, factory, farm, house, office, port, harbour and shop.

Geography Long Term Objectives - Cycle A

Summer

Termly Objectives

Geographical Skills and Locational Knowledge - Local area and Witton Park (What places of interest are in my local area?)

- Use world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans studied at this key stage
- Use simple compass directions (North, South, East and West) and locational and directional language to describe the location of features and routes on a map
- Use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features; devise a simple map; and use and construct basic symbols in a key
- Use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features of its surrounding environment.
