

Meadowhead Community Infant School and Nursery Sports Premium Report 2017-2018

Grant Received - £13609

Review of spending for the Academic Year 2017/2018

Objective	Activity	Cost	Evaluation
To increase high quality PE teaching and learning throughout school through team teaching and coaching	PE Specialist coach to work alongside class teachers to plan and deliver high quality PE lessons, focusing on specific skills development in gymnastics and games.	1 day per week x26 £5500	Questionnaires indicate increase confidence and knowledge to deliver PE, especially in games. Questionnaires shows dance and gymnastics are still areas for development. Conferencing with pupils indicate PE is very popular and children are able to discuss their learning and next steps confidently.
To continue to offer subsidised after school club places to all children and offer a wider range of clubs.	All LAC and post LAC PPG pupils are paid for in full. A range of after school clubs offered included football, dodgeball, golf, athletics, multi-skills and cricket.	£2000	A large number of children have accessed clubs this year. Parent questionnaires show the clubs are well liked and children enjoy going and trying new sports.
To improve the fitness of all children.	Mile-a-day footprints are on the playground for children to follow.	£1800	Children are fitter and more focused in lessons, especially in the afternoon.

<p>To provide a series of taster swimming sessions for Year 2 pupils in readiness for regular sessions in the Juniors.</p>	<p>Year 2 children to experience 5 45minutes swimming sessions by highly trained specialist coaches.</p>	<p>£2500</p>	<p>Children loved the sessions. Some children experienced swimming for the first time in their lives. All children gain confidence of being in water.</p>
<p>To improve the sports equipment we have in school.</p>	<p>A lot of sports equipment was bought to replace damaged, old equipment.</p>	<p>£1209</p>	<p>New equipment bought to help in the teaching of PE lessons.</p>
<p>To improve pupils knowledge and understanding of the importance of exercise.</p>	<p>Blackburn Rovers Community Trust came in and delivered SugarSmart lessons to all Year 2 children. Children also enjoyed half a day at Ewood Park consolidating these skills.</p>	<p>£600</p>	<p>The children enjoyed the sessions and learnt about the importance of looking after their bodies. The activities at Ewood Park were enjoyed by all children, shown by pupil conferencing.</p>
